Please indicate below the delivery styles that you prefer

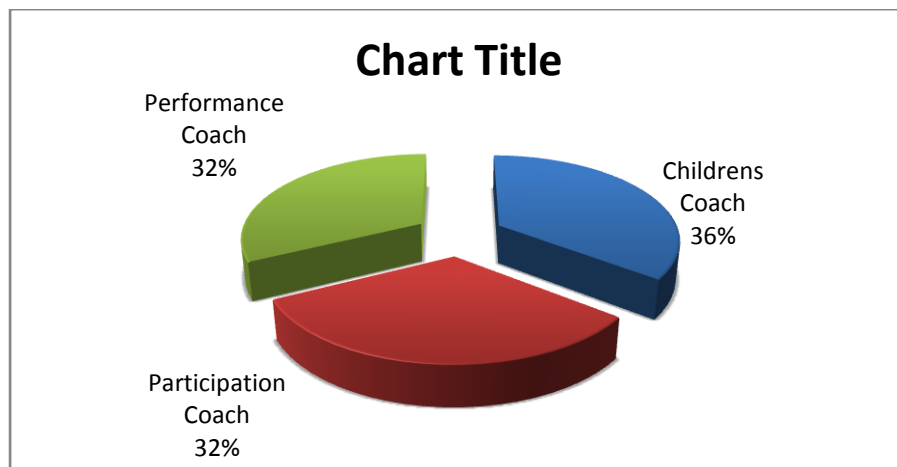

How often would you like these sessions to occur?

We are fully aware of the minimal knowledge you have of the proposed content etc of the Coach Development Days but we would still be keen to know if this would be something that you would be interested in attending?

100% YES

We understand that everybody would like to pay the minimum for attending an event however we currently only have a small budget to support these proposed events so will rely heavily on the income generated from the attendees. We would therefore like to gauge from you what you would be prepared to pay to attend a Coach Development that involved maybe two workshops and a key note speaker.

From the results the Coach Development Day would potentially look like:

Cost: about £20

Day: Sunday

Format: Practical Workshops and Speaker Led Discussions

How Often: Twice a year or quarterly
