

Wesport delivered **4** training events supporting communities in the planning of the community games projects. **45** local leaders were trained at these events.

community games

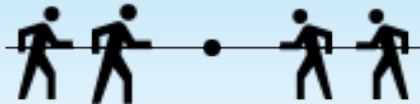

7 different community areas attended the training to run projects: **Bradley Stoke, Hopstore, Haywood, 4 Acres, Meadowsweet, Lawrence Weston, St Pauls.**

978 people attended across **7** communities events

94 volunteers helped to support these events

The Community games projects gave people the opportunity to try a number of different activities.

“The event allowed residents new to the area a chance to meet other residents and to see what is available within the local vicinity. The event also raised the “community” profile to the residents and that is evident from the positive responses we have seen on our Facebook page.”

Vikki Lindsay – Committee Chair, Haywood Village Community Games Committee

“Crossing two sets of residents from differing cultural backdrops worked very well; it was pleasing to see so many people enjoying their day and one another. Eastern European, Jamaican, Brazilian, Somali and British. Bridging these gaps within a community event will always allow for further cohesion and acceptancy.”

Knightsstone Empowerment Officer
