Revised 03/2015

Data Protection Statement for Sportivate Participants

You completed a registration form today for a Sportivate project where you gave us:

- some information about you (age, ethnicity etc); and
- your contact details (email address and mobile phone number etc).

The Sportivate project is run by Sport England and this information was collected on our behalf. If you have any questions about how Sport England is using your information, would like to know what information we have about you or have a complaint, please contact dataenquiries@sportengland.org

How Sport England will use the information about you

The information about you will be used to:

- monitor the success of our programmes; and
- help us plan for future sports activities.

We will pass on the statistical results to other organisations as well but will ensure that you cannot be identified from these statistics.

How we will use your contact details

Your contact details will be used to:

- ***Invite you to take part in surveys conducted by consultants working on behalf of Sport England***

We will not do this if you indicated that you do not want your details to be passed on to Sport England. If you would like any further information about this, you can contact: dataenquiries@sportengland.org

We will not do this if you indicated that you do not want your details to be used in this way.

- ***Let you know about sporting activities that may be of interest to you***

Your/your child's contact details will be shared with County Sport Partnerships so that they can tell you about other sports activities in your area. We will not do this if you indicated that you do not want your details to be used in this way.

- ***Tell you about products from our partners***

We will only do this if you agree that our partners can contact you.

Thank you for taking part in Sportivate.
