keynote

Jo Colin - Head of Children & Young People (Programmes) at Sport England

We are thrilled to have Jo Colin from Sport England speaking to delegates at this year's conference. You will hear first-hand about any upcoming changes/announcements across the school sport landscape. She will provide you with an update on the Primary Sport Premium from a national perspective and the impact it has had upon school PE and sport across the country. As national lead on the Active Lives Survey (CYP) she will also share information regarding this and the value your school could gain from taking part.

morning sessions

Each delegate will have a choice of attending one workshop in each of the four sessions throughout the day. You will be asked for your selections as part of the booking survey. To book your place please visit www.wesport.org.uk/primaryschoolconference2018

Option 1	Option 2
WORKSHOP 1:	
Staff Wellbeing Have you considered what your school is doing to support the health and wellbeing of staff, as well as pupils? Wesport's lead for Health and Physical Activity, Lisa Wood, will stimulate thinking on ways to integrate staff physical activity and wellbeing activities across the school day.	Physical Activity & Mental Health Mark Allen from South Gloucestershire Council will talk about the links between physical activity and mental health, help you understand how to support children's emotional resilience, and provide ideas for promoting mental wellbeing within your schools.
WORKSHOP 2:	
Tech-Know Trail We are launching a brand new exciting technology-fuelled active learning resource for primary schools! The Tech-Know Trail incorporates curriculum-based literacy and numeracy games into a treasure hunt style activity. The content has been developed by teachers and tried and tested with schools, receiving lots of positive feedback. Wesport would like to tell you more about it and give you the opportunity to try it for yourselves!	Active Travel National charity Sustrans help hundreds of thousands of young people throughout the UK to travel actively and safely to school. Our local Delivery Co-ordinator will inform delegates about Free support you can access to help implement engaging and effective programmes embedding a culture of active travel amongst the entire school community. Also hear from Team Rubicon about Skateboarding and Scootering opportunities!

afternoon sessions

WORKSHOP 3:	
<p>Physical Activity & Attainment Elizabeth McClelland, Postdoctoral Researcher from Oxford University, will be sharing her findings from using a classroom active learning intervention and the evidenced improvements to children's attainment levels. She will encourage shared learning amongst delegates to identify methods for measuring the impact of your Primary Sport Premium spending upon attainment and learning.</p>	<p>Create Development Impact Wheel Hear about this fantastic online reporting, evidencing and planning tool which will help you evidence the impact of your PE & Sport Premium spend, plan against the 5 key indicators and show progress of PE across the teaching and learning at your school. This session comes with a 2 week free trial, after which you pay an annual fee of £12 per year.</p>
WORKSHOP 4:	
<p>School Swimming requirements Lead by Sue Barlow from Swim England, this workshop will help you understand the requirements for school swimming in the National Curriculum and the most effective ways of utilising your Sport Premium funding. There will also be information provided about the various teacher training opportunities.</p>	<p>Create Development – Jasmine Online Learning Platform A practical-based workshop to demonstrate the new online learning platform for PE lessons. Delegates will discover what High quality in PE might look like, how to develop a legacy for PE in your school and how you can purchase any of Create Development's programmes if you wish. <i>NOTE: You do not have to already be signed up to Real PE or Real Gym to attend this workshop.</i></p>
