

# What investment can be accessed and what can it be used for?

Minimum Grant: £1500

Maximum Grant: £10,000 (as a guide)

Wesport will work with schools that are successful with applications. Investment can be used for the following:

- Help schools with their own pool on site to safely open them – this can include purchasing water testing kits.
- Help schools to meet COVID-19 measures by purchasing additional signage, touch free entry points, perspex screens and additional cleaning equipment.
- Purchase additional sports, activity, and storage equipment.
- To improve the accessibility of school sports facilities, especially for pupils with Special Educational Needs and Disabilities. This could include buying adaptive sports equipment.
- Where relevant provide funding for additional short-term staffing challenges which prevent schools from opening facilities or delivering sessions.
