

# What can the funding be used for?

1. Supporting schools to open up to the community, this could include purchasing booking systems, short term staffing, additional equipment, improving security to the facility to ensure it can open.
2. Help schools with their own pool on site to safely re-open – this can include purchasing water testing kits and plant servicing following guidance from Swim England. The funding should be used to restart and extend the opportunities for children and young people to participate in swimming activities. Swim England will also be offering advice and guidance on pop up pools in the near future.
3. Purchase additional sports, activity, and storage equipment (non-fixed items only). You may require additional sports, activity and storage equipment to be able to run activities.
4. To improve the accessibility of school sports facilities, especially for pupils with Special Educational Needs and Disabilities (SEND). This could include buying adaptive sports equipment.
5. Where relevant provide funding for additional short-term staffing challenges which prevent schools from opening facilities or delivering sessions.
6. Providing CPD opportunities for staff to either create sustainable business models or provide training to staff to deliver new activities.
7. Develop existing websites including purchasing of booking systems and marketing/advertising of new activities.
